

A message from the Head of Schools

Welcome, and thank you for partnering with First Odessa Christian Academy for your student's education. You are part of something very special; a school committed to developing a high performing, well rounded student with a foundation in the gospel of Jesus Christ.

As a Christian school, our focus is to shape a student's spiritual, academic, emotional and physical aspects by engaging all of these to make a well rounded and well founded person ready to succeed and spread the love of Jesus.

Our foundation is God's word, the Bible. Through Biblical teaching, a Christian worldview and a rigorous curriculum we will challenge students to bring glory to God in their education, their lives, and their service to others.

When you join with FOCA you become part of our family. By working together as home, school and church we create a partnership that is vital to each student's success and future. I am very blessed to lead this amazing school. I know that God is blessing our work and helping us grow into the school He wants. We give God all the glory for the wonderful things happening at First Odessa Christian Academy!

In Christ,

Tony Parris, M.Ed
