First Odessa Christian Academy is a ministry of First Baptist Church of Odessa, offering a program of quality education for children from Kindergarten through Twelfth Grade. It began in March of 2019 under the vision and leadership of Dr. Byron McWilliams, Pastor of First Baptist Church.

First Odessa Christian Academy is accountable to the Board of Trustees made up of First Baptist Church members approved by Dr. McWilliams.

### **Mission Statement**

The Mission of The First Odessa Christian Academy is to boldly teach Biblical Truth, Christian character, and rigorous academic curriculum in a safe and nurturing learning environment.

### **Vision Statement**

The Vision of First Odessa Christian Academy is to produce academically excellent students with a sound Biblical worldview to impact their community for Christ.

# **Core Values**

- Belief in Jesus Christ
- Academic Excellence
- Honorable Conduct
- Servant Leadership

# **Christian Education Philosophy**

Christian education is not simply having Bible classes or prayer. Education in and of itself will do nothing to change the heart of society or children. It is out of the heart that sin of man flows and only God changes hearts. We must base Christian education on the conviction that everything is taught, all classes, from a God-centered perspective.

We believe all of one's life should bring glory to God, and we are committed to pursuing excellence.

# Accreditation

The Accreditation Commission of the Texas Association of Baptist Schools accredits First Odessa Christian Academy under an agreement with the Texas Education Agency.

### **Affiliations**

FOCA maintains memberships with:

# Welcome to First Odessa Christian Academy School! We trust that God brought us together.

It really does take a partnership to educate a child. When school, home, and community work together, we do our best job of preparing students to be lifelong learners and to have productive and fulfilling lives. We know that children do better in school, and improve their achievement, when there is a positive relationship and strong lines of communication between parents/guardians and school staff.

This school handbook contains important information pertaining to the school as well as various policies and procedures. Please understand that no set of rules or guidelines can cover every situation that might arise at school. The rules, policies, and procedures are intended to apply under normal circumstances.

There may be situations that require immediate or nonstandard responses. This handbook does not limit the authority of FOCA to deviate from the normal rules and procedures to deal with individual circumstances as they arise in the manner deemed most appropriate by the school regarding the best interests of FOCA, faculty, students, families, and community. Policies may be revised periodically, and families will be advised of any changes that are made.

Included in this handbook is our school code of behavior. Please read it over carefully with your child/children. Help your child understand the policies and the Lion commitment to our PROWL (Prepared, Responsible, Obedient, Witness, Leadership).

We have a very active group of volunteers and encourage parents, guardians, and members of the community to become involved in our parent-teacher organization (PTO) where you'll meet like-minded families and enjoy hours of fellowship with brothers and sisters in Christ.

We look forward to working with students, families, and our community supporters throughout the school year in our pursuit of excellence and success for all students.

First Odessa Christian Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded to students at the school. FOCA does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admissions policies, scholarship programs or athletic and other school administered programs/events.

- All visitors, over the age of 18, must have a driver's license to receive a visitor's badge and sign in at the office.
- When their student's class is dismissed from lunch, parents will exit the building through the 7th street doors.
- Parents may bring an outside lunch with them to share with their student only.
- Parents are not allowed to go to recess or student classrooms.

# **ATTENDANCE**

In accordance with the Texas Education Code, students must be in attendance a minimum of 90% of the school year or they run the risk of NOT receiving credit or promotion. THIS IS A STATE REQUIREMENT. FOCA and its accreditation agency align with the TEC requirements.

Student attendance directly affects student achievement and families are expected to make attendance a priority.

# **Absences**

Note: We believe that the loss of instruction during the absences affects success. Simply doing make-up work is NOT instruction and DOES NOT provide opportunities students need for adequate growth and development academically, emotionally, and spiritually.

The attendance clerk will maintain accurate records of attendance, tardiness, and leave-earlies to ensure compliance with the Texas Education Code. Records will be used to satisfy auditing and accreditation requirements. Attendance records will also be reported on the student report card and will become part of the students' educational records.

- Parents/Guardians must phone or email the school office on the morning of the absence at 432-339-0770 or <a href="mailto:attendance@focacademy.org">attendance@focacademy.org</a> to report any absence for that day. The attendance clerk will document the phone call/email in FACTS.
- If a student is not present for 75% of the school day, he or she will be documented as absent.
- When a student is absent, make-up work will be given to the student on the first day of his/her return to school. The student has the same number of days to complete make up work as days excused. For instance, if the student was excused from school for two days, then he/she has two days to complete the work and the work is due on the third day. NOTE: The longer a student waits to complete make up work, the further he/she can get behind.
- Only 6 absences per semester are allowed. All absences over 6 will be considered
  "excessive" and will be brought before the administrators & school board and students
  will begin an attendance contract and/or may not receive credit for the semester.
  Excessive absences may result in dismissal from FOCA.

- Family trips will be unexcused absences. Since the pace of instruction is set by the class and not an individual student's need, teachers are not required to give work before an absence. All make-up work is to be completed three days after the student returns. Late work will receive a 25-point deduction daily thereafter.
- Kindergarten Attendance. FOCA believes that a high-level academic Kindergarten program is NOT daycare. Our teachers are instructional leaders who prepare rigorous lessons for a strong foundation leading to academic success. We believe our Kindergarten teachers teach at a higher level than traditional Kindergarten programs. We desire to set a strong foundation for years of success. Therefore, students will have the same attendance expectations as all other grade levels.

# **Tardies and Leave-Earlies**

- Students arriving to class after 8:00 am will be documented as TARDY.
- Students will be marked "absent" if he/she is not present 75% of the school day which is by 9:30 AM.
- Students who arrive late to class cause a disruption to that class and miss valuable instruction.
- A combination of the first three tardies/leave-earlies per semester will be extended grace. These will be documented on student's record but will be forgiven. Following tardies/leave-earlies will be tracked. Three tardies and/or leave-earlies will equal an absence and parents will be notified.
- Tardies that are accompanied by a note from a dental or medical office are considered excused. The note must be received in the office or by email at attendance@focacademv.org within 48 hours of the tardv.

### **Extracurricular Activities**

Please note that for students to attend practice, compete in interscholastic or extracurricular events, or participate in music or theater performances, they must have attended 75% of that school day. Excessive absences will result in an attendance contract and the student may be removed from extracurricular activities for the remainder of the school year.

### **HEALTH AND SAFETY**

### **Immunizations**

Immunization records must be kept up-to-date. Complete shot records must be received within thirty days of the first day of school, or it will be necessary to exclude the student from attendance. If your child is unable to receive an immunization, a written statement from the child's physician stating the reason is required. Students must be vaccinated as required by the State of Texas or provide the appropriate vaccine exemption document(s) or doctor's note exempting student from vaccinations.

Immunizations requirements can be found online here: <a href="https://www.dshs.texas.gov/sites/default/files/LIDS-Immunizations/pdf/pdf">https://www.dshs.texas.gov/sites/default/files/LIDS-Immunizations/pdf/pdf</a> stock/6-14.pdf or by requesting a copy of the document from the FOCA Office.

# **Medical Emergencies**

- Updated emergency contact information is required every year for every student at the time of enrollment or re-enrollment.
- All major changes in your child's health and/or medication or medical procedures, or any changes in phone numbers, must be kept current by the parent/guardian.
- In the event of an accident or emergency, 9-1-1 will be called if deemed necessary by the school administration.
- In the event of an accident or emergency, the child's parent/guardian will be notified immediately after the welfare of the child has been attended to.
- In the event that the parent/guardian cannot be reached, the contacts listed in the student's emergency contact information will be called.

# Medication

- Any student who requires non-prescription or prescription medication at school must have a completed medication administration form on file in the school office, including the dosage and time to be given. State law permits school personnel to give medication to students at school only when it is provided by parent/guardian and with written permission from the student's doctor.
- Non-prescription medication (Ibuprofen, Tylenol, etc.) must be in its original container labeled with the student's name and dosage.
- Prescription medication must be in its original container and properly labeled by a registered pharmacist.
- The student must leave the medication with the school office and report to the school office at the proper time.
- Students are to never have medication of any type in their possession including backpack, locker, etc.

# Illness

• If a student becomes ill during the day the office will call a parent to come pick them up. If the parent has not arrived within a reasonable time, the office will call one of the emergency contacts on the student's SIC card to pick them up. Students are required to stay home if they have had a fever of 100 degrees or more within the last 24 hours, diarrhea, or vomiting. After an illness, children must be free of fever or have been on medication for a 24-hour period before returning. Children may return to school only after symptoms are clear. Children may not return to school after a communicable disease until a physician or the health department releases them. The child must bring a statement from the physician to that effect.

# **Contagious Diseases**

 We reserve the right to request a doctor's release in writing before the student returns to class. Parent/guardian will be notified of the first diagnosed case in a classroom of the communicable diseases listed: Diphtheria, Hepatitis A, Polio, Tuberculosis, Encephalitis, Hepatitis B, Rubella (German Measles), Typhoid Fever, Fifth Disease, Meningitis, Rubeola (measles), Whooping Cough, Hand-Foot-Mouth Disease, Mumps, Scarlet Fever, Chicken Pox. Parent/guardian will be notified if a second physician-diagnosed case of the disease occurs within six weeks of the first diagnosed case.

### **INCLEMENT WEATHER**

In the event of inclement weather such as snow or ice, parents/guardians should tune in to any local TV station for information regarding the closing of school. An announcement will generally be made the morning of the school day between 6:00 and 6:30 am. Our primary concern is for the safety of students, parents/guardians, and teachers. FOCA will send a text message and email from the school Parent Alert System communicating the schedule changes for a bad weather day.

### **DRILLS**

We practice three kinds of drills at First Odessa Christian Academy - fire, weather, and intruder.

# **BUILDING EVACUATION**

In case the building must be evacuated because of an emergency and the parent/guardian cannot be reached by the emergency contact phone number, the student will be transported to the other church property at 601 N. Lee Ave.

FOCA is often asked by non-religious organizations to distribute pamphlets, letters, calendars, etc. to our teachers, students, and families. FOCA Administration reserves the right to determine what information is distributed. It is the desire not to discriminate but to select communication that aligns with our mission, vision, and statement of faith. Should FOCA families want to distribute personal material to staff or students, please contact administration for approval.

### PARENT/TEACHER CONFERENCES

Parents and teachers are encouraged to set up conferences as needed. The Principals request that all parents contact teachers or coaches for any matter concerning their student prior to contacting administration.

# **CONFLICT RESOLUTION**

As we relate to one another in the business of activities of a school, situations will inevitably arise that challenge our patience, possibly producing anger and personal conflict. It is vital to the health of our school that we handle these situations in a Godly, Biblical manner. Matthew 18 and other scriptures set forth principles that guide us through such times. We expect our school staff and our families to follow the guidelines when faced with a conflict in the school setting.

### Matthew 18:15-20

<sup>15</sup>"If your brother or sister sins, go and point out their fault, just between the two of you. If they listen to you, you have won them over. <sup>16</sup> But if they will not listen, take one or two others along, so that 'every matter may be established by the testimony of two or three witnesses.' <sup>17</sup> If they still refuse to listen, tell it to the church; and if they refuse to listen even to the church, treat them as you would a pagan or a tax collector.

<sup>18</sup>"Truly I tell you, whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven.

<sup>19</sup> "Again, truly I tell you that if two of you on earth agree about anything they ask for, it will be done for them by my Father in heaven. 20 For where two or three gather in my name, there am I with them."

# **SCHOOL MATTERS**

Staff and FOCA Families are expected to act in a biblical manner when trying to resolve conflict.

<sup>\*</sup>Misuse of social media directed toward FOCA may result in dismissal of your family.

If the desire is not to resolve conflict this way, the staff or family should re-evaluate whether a partnership can be reached. If not, withdrawal and/or resignation may be inevitable.

- 1. Visit one-on-one, in private, with the staff member or family with whom you have grievance.
- 2. If still unresolved, contact an administrator to help resolve the conflict.
  - All matters should be covered in prayer.
  - All matters should end in forgiveness and respect regardless of the outcome.
  - At no time is social media the place for grievances, slander, or disrespect.
  - If administration is contacted regarding conflict or concern, it will be expected that the family has visited privately with the other person. If that has not happened, administration will direct the conflict back to step 1.

**Important Note:** In cases of safety or security concerns, any situation that endangers students, families, staff, or the community must be reported immediately to a Principal.

# STUDENT BEHAVIOR

"Train up a child in the way he should go and when he is old, he will not depart from it" - Proverbs 22:6

First Odessa Christian Academy provides an atmosphere of order that is essential in allowing a student to lead a Spirit-controlled, Christlike life. It is the responsibility of the teacher to define behavioral boundaries consistent with Biblical principles and developmental capability. Teachers will establish classroom procedures and discuss school-wide rules with students at the beginning of the school year. It is the responsibility of FOCA families to partner with FOCA staff to support a positive learning environment.

In all cases, the administrative team reserves the right to make the final decision for any disciplinary action. Our school code of conduct and discipline applies to Extended Day.

  community, or has a direct/immediate impact on the general welfare of the school, even
  if the conduct takes place off campus. Some examples include violation of the law, use
  of alcohol/controlled substances, or misuse of technology which could impact the welfare
  or reputation of the school community.

This includes unwanted physical, verbal, or written advances, implicit or explicit threats against one's safety or security, unsolicited gestures, or comments.   school. If the problem persists, the student will be asked to withdraw. FOCA

  students and staff.

# **CLASSROOM MANAGEMENT**

"Have confidence in your leaders and submit to their authority, because they keep watch over you as those who must give an account." - Hebrews 13:17

Every classroom is unique in its personality, subject area, and physical layout; therefore, specific principles and policies create consistency and provide equal opportunities for success. It is the goal of FOCA that we provide a culture of kindness, respect, love, integrity, healthy attitude, and hard work, just to name a few. We take the responsibility of spiritual, behavioral, and academic education seriously and our expectations should reflect that.

### DISCIPLINE

The faculty and staff at First Odessa Christian Academy will work to integrate Christian beliefs and principles into all areas of life and train students to base their conduct on faith and God. Listing all examples of misconduct that may result in student disciplinary action is impossible. Many of the behaviors listed below have never occurred at FOCA, but the experiences of other schools (particularly area public schools) make these warnings necessary.

The disciplinary actions are examples and may be modified at the discretion of the administrators for specific situations.

The best kind of discipline in a school setting is self-discipline. Our desire is to develop such in our students. To that end, corrective measures are sometimes required. These measures are intended to be developmental and not humiliating nor merely punitive. They include (but are not limited to) lunch detention, after-school detention, in-school or out-of-school suspension, and expulsion.

# **LEVEL OF OFFENSES**

Drug Use/Substance Abuse: The possession, use, or distribution of illegal drugs, controlled substances, or alcohol and/or misuse of over-the-counter or prescription drugs are prohibited. Students connected to, or associated with, any drug-related persons or events may be required to submit to drug testing and subject to dismissal. Students in the presence of these substances may be disciplined as well. Violation of this rule will be dealt with whether on or off-campus. FOCA is considered a drug/alcohol-free zone and therefore practices a zero-tolerance

policy as it relates to the possession, use, and/or distribution of illegal drugs or controlled substances on its campus.

# Prohibited items:

**Weapons**: The possession, use, threat of use, distribution, or attempted distribution (by sale, gift, or otherwise) of any type of operable or inoperable weapons such as firearms, knives, switchblades, pepper spray, mace, tear gas, bullets, fireworks and other explosives are expressly forbidden. Whether designed as a weapon or not, an object will be considered a weapon if it is used as a weapon. This includes toys and/or replicas of weapons.

• Violations of fire regulations, including tampering with fire alarms, using matches, lighters, or firecrackers, will be considered serious offenses.

Any other offense which FOCA administration may deem sufficiently detrimental or offensive such that it would reasonably fall under this section of misconduct.

NOTE: These are the most serious offenses and pertain to behavior anytime and anyplace.

# **Level 4 Disciplinary Actions**

Level four disciplinary offenses are immediately reviewed by the administration & school board for dismissal.

### **OUT-OF-SCHOOL SUSPENSION**

An administrator has the authority at any time to suspend a student for any violation of a school rule. The length of suspension will be one to three days as determined by the administrator. A student will be suspended from school following parent/guardian communication. Specific changes in attitudes and actions will be expected prior to readmission. If there is a third suspension, the student and parent/guardian must meet with administration before returning to class.

# **IN-SCHOOL SUSPENSION**

If at any time, an administrator determines that a student will serve an in-school suspension, the cost of the proctor/supervisor will be at the expense of the student's family. The cost of ISS is

\$85 per day, which will be billed through FACTS incidentals.

# **OVERNIGHT SUSPENSION**

If at any time an administrator is unable to reach a parent or guardian regarding any disciplinary actions of a student, an overnight suspension may be enacted. The student will not be able to return to school until the parent or guardian meets with administration and/or teacher(s).

### DISMISSAL

Attendance at First Odessa Christian Academy is a privilege. Any student whose conduct, in or out of school, that shows him/her to be in opposition to the basic principles and purposes of First Odessa Christian Academy will be required to withdraw from the school.

Dismissal will be required if it becomes apparent that the school will not be able to meet the needs of a student or that the student's behavior is preventing classroom instruction. When the administration recommends dismissal, the date of withdrawal from the school will be set and the withdrawal procedure followed.

# **SEARCH AND SEIZURE**

School personnel may conduct a reasonable search of a student, his/her backpack, desk, locker, and/or belongings when they have probable suspicion to believe that the student has an item in his/her possession that may constitute a criminal offense under the laws of this state or other items prohibited by school rules.

# PEER-TO-PEER RELATIONSHIPS

"Friendships are important and parent guidance and monitoring of activities are needed for your child to be safe and successful. As children grow, friendships take on new meaning." –American Academy of Pediatrics and Healthy Children

First Odessa Christian Academy takes the safety of its students very seriously. Students have the right to feel safe and secure while at school. Bullying and/or cyber-bullying may be punishable by detention, suspension, or expulsion. Both bullying and cyber-bullying are intentional, hurtful acts, words, or other behavior such as but not limited to, name-calling, threatening or hurtful letters or emails, text or instant messaging, telephone communications, internet blogs, internet chat rooms, internet postings, and hostile and/or defamatory personal web sites. Although cyber-bullying will most likely occur off-campus, the effects of it are definitely felt on campus. Therefore, FOCA will take the appropriate steps necessary to stop the act and restore the safe atmosphere of our campus.

When resolving conflict, the following will be considered: Is it Rude, Mean, or Bullying?

Rude = Inadvertently saying or doing something that hurts someone else.

Mean = Purposefully saying or doing something to hurt someone once (or maybe twice).

Bullying = Intentionally aggressive behavior, repeated over time, that involves an imbalance of power.

Note: As always FOCA will expect families to follow Matthew 18 when resolving conflict between peers. Staff, guardians, and students may be invited to meet to discuss these matters biblically and respectfully.

### **CONFLICT RESOLUTION**

As we relate to one another in the business of activities of a school, situations will inevitably arise that challenge our patience, possibly producing anger and personal conflict. It is vital to the health of our school that we handle these situations in a Godly, Biblical manner. Matthew 18 and other scriptures set forth principles that guide us through such times. We expect our school staff and our families to follow the guidelines when faced with a conflict in the school setting.

# Matthew 18:15

<sup>15</sup>"If your brother or sister sins, go and point out their fault, just between the two of you. If they listen to you, you have won them over. <sup>16</sup> But if they will not listen, take one or two others along, so that 'every matter may be established by the testimony of two or three witnesses.' <sup>17</sup> If they still refuse to listen, tell it to the church; and if they refuse to listen even to the church, treat them as you would a pagan or a tax collector. <sup>18</sup> "Truly I tell you, whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven. <sup>19</sup> "Again, truly I tell you that if two of you on earth agree about anything they ask for, it will be done for them by my Father in heaven. <sup>20</sup> For where two or three gather in my name, there am I with them."

# STUDENT DRIVERS

Students who drive to school are expected to do so responsibly. Special attention should be paid to pedestrians in the parking lot as well as the school crosswalks before and after school. Driving to school is a privilege that may be revoked if necessary.

- Parking permits are required for student drivers and can be purchased in the FOCA office.
- Students must park in the Southeast parking lot.
- For safety reasons, student drivers are NOT allowed to visit their vehicle during the school day.

- Invitations may not be distributed in school unless the entire class is invited.
- If they are distributed in school, they may be distributed only at a designated time approved by the teacher.

# FIELD TRIPS, OFF CAMPUS LEARNING, FORMATIVE LEARNING EXPERIENCES

Parents will receive the following in advance:

- Purpose of the trip
- Mode of transportation
- Itinerary
- Name(s) of approved supervisors and chaperones
- Transportation Consent form

# Parent/Chaperone Responsibility:

- The Field Trip Release/Emergency Medical Form, which is part of the enrollment packet, releases the school from any liability.
- Any parent/guardian who wishes to participate as a teacher-assigned chaperone must have a completed Driver/Chaperone Agreement Form including copies of a current driver's license and current vehicle insurance information.
- You will also need a current background check on file with FOCA. If you are driving your own child and are not chaperoning others, you do not need a background check, etc.
- THE BACKGROUND CHECKS TAKE TIME SO PLEASE DO NOT DELAY IN GETTING SIGNED UP TO CHAPERONE OR DRIVE.

# Field Trip Guidelines:

- FOCA activities are for current FOCA students only. No other students are allowed to attend. Siblings are not allowed to attend.
- Any student on disciplinary probation may be excluded from the field trip.
- School rules, regulations, and policies are in effect on all field trips on or off campus.
- If parents/guardians choose not to allow their child to participate in a scheduled field trip, parents/guardians should make other arrangements with the administrator.
- Some field trips require an additional fee.

# **ASSESSMENT, EVALUATION AND REPORTING**

Teachers employ a variety of strategies to assess student learning on a continuous basis. These strategies include: observation of students as they work, conversations with students about what they are learning and doing, analysis of student products and performances, and the administration of guizzes and tests.

Teachers collect data for two main purposes:

- Assessment for learning to give feedback that will help students improve their learning; to provide feedback for teachers that will help them plan upcoming instruction to meet the needs of students.
- Assessment of learning to be compiled into a formal evaluation of a student's achievement and work habits.

# **NWEA MAP TESTING**

Students will participate in MAP assessments in August/September, January/February, and April/May. These assessments will be used to measure growth in Math, English Language Arts, and Reading. Grades 5-12 will also include science.

- Grade level promotion is not determined based on the MAPS. Instead, students are
  measured in terms of growth from the beginning of the year to the end of the year and
  measured against the "norm" in the country.
- Scores are measured in percentiles and if a student scores below the 40th percentile, teacher may consider intervention.
- Parents are encouraged to focus on the growth progress rather than the individual score at the time of testing.

# **GRADE REPORTS**

One copy of the report is placed in the student's permanent file in the school office.

- The teacher will assess students on their progress toward mastery of assignments, exams, and other classwork.
- Report Cards are sent to the parents at the end of each 9-week period.
- Parents can see current grades and assignments through their FACTS account.
- Progress reports are sent home at the end of the 3rd week and 6th week of each quarter.
- Teachers will update grades in FACTS at least once each week. Parents can view the assignment and the grades for each subject through the parent portal in FACTS.

# **Grade Requirements**

Elementary teachers will take at least 1 grade per subject weekly. Only one daily grade may be dropped during the guarter per subject.

Secondary teachers will take at least two grades per subject weekly.

Students will have three days to complete corrections upon receiving the assignment from the teacher. After the three-day period is over corrections for that assignment will not be accepted. \*Allowable corrections are based on teacher discretion.

If the student fails the corrections, the higher of the two grades will be taken. Students will be allowed only one opportunity to redo the work.

# MISSED/LATE WORK POLICY

1. Twenty-five points will be taken off an assignment for the first day that it is late and each day following.

2. After three days, a zero will be given on the assignment.

# **CHEATING**

Any student caught cheating on an assignment, test, or exam will receive a zero on the assignment. A second offense of cheating will result in In-School Suspension the following day. The fee for the ISS

teacher will be at the expense of the parent/guardian (\$85).

Cheating is defined as using or attempting to use unauthorized assistance or advantage in academic work that is submitted as one's own individual efforts or the giving of such assistance to others and includes the following:

- Copying homework from another student without specific approval from the teacher.
- Working with others on any assignment that was given as an independent assignment.
- Using workbooks and notebooks from a previous year with answers already completed.
- Having notes or textbooks visible during a test.
- Giving or receiving information about a test, quiz, or other assignment prior to receiving the assignment or using any technology to send or receive testing information.
- Glancing at someone else's test or quiz or allowing someone to look at your paper during a test or quiz.
- Reading condensed or Cliff's note/Spark notes, etc. version of a book and representing that you read the entire book.
- Not accurately giving correct information to a teacher about grades and completed work.
- All forms of cheating or use of Al software will result in disciplinary action from the administration and academic credit will not be given for the work. Repeated offenses could result in expulsion.

**Plagiarism:** defined as literary theft, misrepresentation, and falsification and includes the following:

- To copy directly, paraphrase, or summarize without clearly marking the source of the information, thoughts or ideas (including electronic based documents, i.e. PowerPoint presentations).
- Plagiarism is prevented when the proper form of documentation is followed. Items that
  must be documented are facts, quotations, paraphrases, and summaries. Writing that
  expresses one's own thoughts, experiences, or interpretation and is stated in one's own
  words does not require documentation. Inadvertent documentation that allows another's
  words and ideas to be mistaken as one's own is plagiarism.
- Students should ask for assistance from the teacher when a question of documentation arises.
- Plagiarism will result in receiving a zero or failing grade on the assignment depending on the extent of the plagiarism. Repeated violations could result in expulsion.

# **ELIGIBILITY FOR EXTRA CURRICULAR ACTIVITIES**

Students must be enrolled FULL TIME at FOCA to compete in any TAPPS competition.

FOCA students are responsible for maintaining passing grades in all classes. Extracurricular activities, including athletics, fine arts, etc., are intended to be a complement to the academic program and should never take priority over academics.

- Teachers will give a Failure Report to the athletic director and team coach administrators on Monday of each week to assess progress.
- If determined ineligible based on grades, the student:
  - Will not be allowed to participate in competitions.
  - Will be required to attend practices and will be limited to observation only.
  - o Will not be allowed to leave school early for competitions or practices.
  - Will not be allowed to travel to competitions with the school, local or regional.
     Students may travel on their own, not during school hours, and will only be allowed to observe.
- Any student who is ineligible for 50% of the season for that sport will be removed from the program, as well as on academic probation pending possibly dismissal.
- Student conduct may affect eligibility and/or suspension from school programs.

### **END OF QUARTER GRADES**

If a student has a grade of 69 or below on a report card, he/she will follow the above rules until 3 week progress reports are printed for that term.

# STUDENT ASSIGNMENTS

Parents/Guardians are encouraged to review assignments daily and discuss with the teacher if you have questions about schedules or assignments. It is the responsibility of the student and family to monitor the online gradebook to carefully review what has been accomplished, assignments not turned in, and to monitor progress BEFORE the end of the quarter.

# **HOMEWORK**

The purpose for homework is to develop responsibility, accountability, and to enhance student learning. It is assumed that homework will be a regular part of school life, with increasing time and application required as a student gets older. The time spent on homework depends on the student's organization and use of time at school and at home. The homework environment at home, after-school activities, and parent support also affects student success.

Homework may be given for:

- Skill practice
- Incomplete classroom assignments
- Projects

### **EXTRA CREDIT**

Extra credit is often requested by a student and/or guardian in order to improve a student's grade. If a student is communicating often with the teacher and completing his/her assignments in a timely manner, extra credit is not needed.

# **PROMOTION**

All elementary students meeting attendance requirements and with passing grades will be promoted unless the parents, teachers, and administrators feel retention is necessary for the benefit of the student.

Middle and High School students meeting attendance requirements and with passing grades will be promoted unless the parents, teachers, and administrators feel retention is necessary for the benefit of the student. If retention is an option, it will be on an individual core content basis.

# NON-DISCRIMINATION

First Odessa Christian Academy makes no distinction concerning an individual's race, color, or ethnic background because we acknowledge that there can be no preferential treatment with God (Romans 2:11). We are bound to extend our ministry to all we can reach if we are to carry out our Lord's Great Commission (Matthew 28:18). First Odessa Christian Academy neither supports nor endorses the World or National Council of Churches, or any world, national, regional, or local organizations which give Christian recognition to non-believers or advocate a multi-faith union.

First Odessa Christian Academy does not discriminate on the basis of race, color, or ethnic background in the enrollment of students.

Education is not just about preparing for a fulfilling future; it is about living and learning fully now. We believe that students learn best when they:

- Feel safe
- Value their work and see that it is valued by others
- Apply their learning in meaningful contexts
- See that their efforts make a difference to themselves and to others
- Use meaningful feedback to improve

- See the important people in their lives working together for their good
- Have opportunities to help others and be of service

We recognize that students learn and demonstrate learning in different ways. Some students are strong with the spoken word while others prefer to write. Some see the world through the eyes of an artist while others may be more technical. Some prefer to learn by themselves while others like to work in groups. We provide a variety of learning opportunities so that students can work in different ways using their strengths.

We believe all students can learn and experience success.
